

Tumble Books: Online e-books for Kids!

Did you know our library has access to TumbleBooks through the library website? It works with a computer as well as your iPad/Tablet. TumbleBooks is a collection of animated, talking picture books with fiction, non-fiction and foreign language titles, Math Stories, Read-Alongs, Videos, and Tumble Puzzles & Games. Enter your library card barcode number into the box, including all characters in CAPS, but no spaces.

Try it out! They are fun. We recommend trying out Bully Goat Grimm by Willy Claflin.
