FOUNDATION, INC.

EXPANDING THE LIBRARY IN OROFINO, IDAHO

Proposed New Addition to the Clearwater Memorial Public Library

Tall, Tight Bookshelves – a plea for funds!

The Clearwater Memorial Public Library is expanding and we need your support.

Phase 1 of the expansion includes the demolition of the existing rental house that is next to the library. Funds will be used to build the additional 2,750 square foot addition to the existing library building. The expansion will add:

- ✓ A larger children's area
- ✓ Storage space
- ✓ Technology center
- ✓ Larger parking lot
- ✓ More room for more books!
